Enclosure No. one file

His No: 352/12 dated 24th July 1902, forwarding copy of Comptrollers' special audit memo No: 63 dated 15th July 1902, together with the pension papers of Gurn Rao, late 2nd class Daffedar of the Nagamangla Taluk.

Has the honor to state that the Daffedar was not Compelled to retire after Completing 55 years of age

there was no order from Government superannu ating him. He was sent on 6th november 1898 for medical examination as to his fitness for further service. The Civil Surgeon, Nagpore, stated in his docket No: 566 dated 6th November 1898 that he was yet fit for duty for a year or so more. He was not therefore retired on invalid pension. He applied for being superannuated, and retired on 25th January 1901. The applicant was therefore, re-tired under article 311 of Nagpore Service Regulations. The applicant had a qualifying service of 33 years, 10 months and 6 days, of which 8 years, 8 months and 10 days is inferior service, and the remain-ing 25 years, 1 month and 26 days superior service. As there was an additional inferior service of 8 years, 8 months and 10 days, a gratuity of Rs: 36, at Rs 4½ which is half the pay he was drawing before he came into superior service, was —

recommended as per article 258 (b). Article 320 B provides only for superior service pension but does not debar the granting of gratuity for inferior service, unless the pension and gratuity together, come to more than Rs: 7/- a month (vide article 258 note under (b).

The Daffedar having died on 16th May 1902, the fact was intimated to the Inspector General in this office — docket No: 721 dated 20th May 1902. His son (Venkoba Rao) is also reported to have died subsequently.

On the 7th May 1903, the widowed daughter-in-law of the deceased — Daffedar Gunn Rao has now petitioned the Deputy Commissioner for the arrears

of the pension due to her deceased — .
father-in-law, being paid to her.

The papers relating to the pension
of the deceased Daffedar are submitted
with a recommendation that the
Daffedar's gratuity for 8 years at Rs: 4 1/2
a year and a pension at Rs: 6-14-3, per
mensem, from 25th January 1901 to 16th May 1902,
may be kindly sanctioned and made
payable to the widowed daughter-in-law
(Puttamma) of the deceased as she
appears to be the nearest heir.

Order thereon No: PHA 163-4 6/8/03

Guru Rao late 2nd class Police Daffedar of the Nagamangala Taluk was retired from service on the 25th Jany 1901; and his pension application was forwarded to the Comptroller for verification and report to Govt for orders. The Comptroller returned it with the remark that the order of Govt superannuating the Daffedar should be quoted under col: 5 "any other remarks" in page 3 therein as required by art: 473 of the M. S. Regulations. The I. Gl of Police in the letter read above reports that the Daffedar having attained the age of 55 years was at his option retired from service and not compelled to retire under any order of Govt and requests therefore that the Daffedar may be considered as having been retired on superannuation pension. It is observed that art: 311 of the Service Regulations provides for such

A 3017/03

"Such optional retirement and that no sanction of Govt is necessary therefor. The entry made in the pension application under the col: "any other remarks" is ~~quite~~ sufficient as per art: 473 of the Service Regulations."

The Comptroller is therefore requested to verify the pension application which is herewith forwarded together with the other enclosures received with the letter read above and report thereon to Govt for orders at a very early date.

Office of the Comptroller,

No. 2029 / PHA 6323-210

Bangalore, Dated 9th October 1903.

From

Henry Eagles, Esq.,

Offg: Comptroller of Mysore.

To

H. V. Nanjundayya, Esq., M.A.M.L.

Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

I have the honor, with reference to Article 471 of the Mysore Service Regulations, to submit for the orders of Government, duly verified and reported on, the marginally noted application for pension received with Pro: No.163-4 dated 6th September 1903.

2. Adverting to the observation made in the 2nd last sentence of the Proceedings quoted above, I have the honor to bring to the notice of the Government that there was nothing in the pension application when it was originally received in this office, to show that the applicant had retired of his own accord under Article 311 of the Mysore Service Regulations- The applicant was recommended for a gratuity for his inferior service and a retiring pension for his superior service. There was besides the remark that he was found unfit for further service owing to old age- In the absence of any information as to the cirsumstances under which the applicant was retired, the recommendation of the Inspector General of Police in regard to the class and amount of gratuity and pension could not be reconciled with the pension rules and hence the application was returned for explanation- The note that the applicant was retired on pension under Article 311 was made when the application was received back in the office of the Inspector General of Police, as will be evident from the original remark "Nil" against Col:5 of the 3rd page of the application. The pension papers with the

Copy of Govt Order - 2nd Class Police Officer - Nagamangala Taluk - Confirmation - Pension Rs 6-9-11

the information that the case was one of ~~the~~ optional retirement under Article 311, might have been simply retransmitted to me for disposal in the usual course- There was no necessity whatever as observed by the Government, to obtain the sanction of the latter for permitting the applicant to retire Voluntarily on attaining the age of 55 years- I do not understand why the Inspector General of Police sought the sanction of the Government which is necessary only in the case of compulsary superannuation.

I have the honor to be,

Sir,

Your most obedient servant,
